Why it's an easy sale.

-
- 1 They hear it before they buy.** Your link opens a live demo. Prospects talk to our AI themselves, in English or Spanish.
 - 2 The pain is obvious.** Every owner knows they miss calls. Nobody has to be convinced the phone matters.
 - 3 No technical work for you.** We build, connect, test and tune every agent.
 - 4 Low risk for the client.** Setup included. Month to month after the first 90 days.
 - 5 Spanish built in.** Every agent speaks English and Spanish, so you can sell in the U.S. and across Latin America.

Who buys it, and who sells it best.

If business owners already trust you, you can offer this.

Two ways to work with us.

Referral partner

You introduce. We sell, set up, bill and support.

20% of each client's monthly fee, for 12 months

- ✓ Share your link or register a business in your portal
- ✓ We run the demo and close the sale
- ✓ You see every referral, client and commission as it happens

For consultants, web designers, accountants, associations and anyone owners already trust.

Reseller

You sell to your clients, at your price.

30% off list price on every plan

- ✓ You bill your clients and keep the relationship
- ✓ We build, run and tune the agents for you
- ✓ Your clients' calls land in the same lead hub

For marketing agencies, IT and telecom providers, call centers and CRM consultants.

What it can add up to.

Referral partner

Example

The math

Clients	5 on Growth
Plan	\$829 a month
Your share	20%
You earn	\$829 a month
Over 12 months	\$9,948

$$5 \times \$829 \times 20\% = \$829 \text{ a month}$$

Reseller

Example

The math

Clients	10 on Starter
List price	\$279 a month
Your cost, 30% off	\$195.30
Your margin	\$83.70 each
You earn	\$837 a month

$$10 \times (\$279 - \$195.30) = \$837 \text{ a month}$$

Examples, not promises. What you earn depends on the plans your clients choose and what they pay. Resellers set their own price.
